- **General participation conditions and regulation:**

Participants will be dressed in sports equipment or traditional and vintage costumes (for the traditional event). The traditional and bare bow events will consist of field targets, placed at known and unknown distances, 3 arrows on each target. There are separate target targets for the compound division (50m and 25m, depending on the category). Compound can also be entered in the field event. For the traditional bow division, historical replica, only wooden arrows with natural feathers are allowed. Rangefinders and distance measuring devices are not allowed, only binoculars and scopes. Attention: no alcohol (before and during the competition), unsportsmanlike behaviour and safety rules violations! Categories with only one participant can be merged with the higher categories according to the rules. As the action is part of the project **Cross-border ARCHery „Joint archery adventures for promoting good practices in sports and strength the cooperation among cross-border archery clubs and practitioners”- ROHU00109**, project funded by the **Interreg VI-A Romania-Hungary Program 2021 - 2027**, the competition is free of charge (no entry fee, lunch and water included, free of charge), but participants will sign a participation table. Participants who do not sign the table on field will not compete. At the technical meeting, the organizer and heads of delegations may make changes to the competition format. The Cross-border ARCHery project, funded by Interreg VI-A Romania–Hungary 2021–2027, and with a total budget of EUR 207,244.80, of which EUR 165,795.84 is ERDF grant funding, aims to strengthen cross-border cooperation in the field of archery between clubs in Romania and Hungary, by organizing joint events, exchanges of experience and actions to promote social inclusion through sport. The main activities include training camps, international competitions, interactive workshops for children from vulnerable backgrounds, conferences with relevant actors and the purchase of equipment and means of transport that will facilitate access to sport for as many young people and people with special needs as possible. The objectives include increasing the participation of children and young people in cross-border sports activities, promoting archery as an inclusive, accessible and educational sport, improving cooperation between clubs and associations in the border area, or facilitating mobility and access to sports infrastructure.

The competition will be held in accordance with the field regulations for outdoor competitions, as well as in compliance with safety conditions.

Note: titles are awarded only in categories where there are at least 3 participants, as well as diplomas, medals and cups, as well as surprise prizes, some of great value (these surprise prizes are awarded only to the first place winners in categories with at least 6 participants!).

Registrations are made on www.arcusonline.ro, but also electronically or by phone, at the email address of C.S. Redpoint – redpointoradea@gmail.com, or tel.: 0744 607 672 until 13.11.2025. We look forward to seeing you !
